Tool Box Essentials

What to Buy First

1. **Safety Glasses** A home improvement MUST! 
2. **Gloves**
3. **16 oz Hammer** Great for big and small jobs. 
4. **Speed Square** Use to make marks for cutting, to check corners for squareness. 
5. **6 in 1 Screwdriver** Has Phillips and slotted tips along with 2 different sized nut drivers 
6. **Utility Knife** Great for cutting just about 

anything from vinyl floor to cardboard.

7. 25 ft Tape Measure

Compact enough for small scale work but stretches for bigger tasks. 

8. Adjustable Wrenches

a 6 inch and a 10 inch should cover almost any job. 

9. Chalk Reel & Line

Use it to mark straight lines for cutting plywood or laying flooring or tile. 

10. Torpedo Level

Great for hanging pictures, shelving, etc. 

What to Buy Next

1. **Cordless Drill** Use as a drill and power screwdriver. 
2. **Drill & Screwdriver Bit Set**
3. **Circular Saw** Cordless (18V min) Corded (12 AMP min). 
4. **24 inch Level** For big and small tasks
5. **Pry Bar** Use it to pull nails or to remove moldings or trim work. 
6. **Voltage Tester** essential for electrical troubleshooting and repair. 

Workshop for Women & Ace Hardware - Alameda Station

Workshop for Women is partnering with Ace Hardware - Alameda station!

A new Ace Hardware is opening in the Alameda Station shopping center located at Broadway & Alameda (across the street from Workshop for Women). The grand opening is scheduled for August 11, 12 & 13.

Workshop for Women will be conducting short seminars as follows:

Saturday August 12

9:30 am
"No Fear, Power Tools"
10:30 am
"My Screws are Loose"
11:00 am
"Hole, What Hole?"

Sunday August 13

9:30 am
"My Screws are Loose"
10:30 am
"Hole, What Hole?"
11:30 am
"No Fear, Power Tools".

Please come by and visit, there will be many sale items and giveaways!
