**Planet E Studios.** These wonderful women are doing the video production of our classes. Visit their website at [www.planetstudios.com](http://www.planetstudios.com)

**Red Rocks Community College.** Are you interested in advanced construction classes or certifications? Visit [www.rcc.edu](http://www.rcc.edu)

### Workshop for Women FAQ

#### What classes do you currently offer?

- \* Basic Power Tools
- \* Basic Carpentry
- \* Drywall Repair
- \* Wall & Ceiling Anchors and Fasteners
- \* Electrical Basics
- \* Construction 101

#### When are classes offered?

Daytime, Evening and Saturday classes are available.

Visit [WfW Calendar](#) for our current schedule.

#### How old do you have to be to attend the classes?

The classes are designed for women over the age of 18, however we will gladly register young women, 16 or 17 years old, with a parent or guardian willing to sign a liability waiver. If you have a group of young women below the age of 16 that you think would benefit from any of our classes please contact Judy at [questions@workshopforwomen.com](mailto:questions@workshopforwomen.com) or **303-284-6354** to discuss special arrangements.

#### How many students are typi-

#### cally in a class?

Class size can vary from 1 to 6. Our class size is limited to ensure the best experience for each student. The small class size allows for plenty of time for hands-on practice and allows the facilitator to give more personalized instruction.

#### What if I have a group of more than 6?

If you have a group of more than 6 that would like to attend a class together, please contact Judy at

[questions@workshopforwomen.com](mailto:questions@workshopforwomen.com) or 303-284-6354 to discuss special arrangements.

#### I want to take a class but it isn't offered at a time convenient for me, what should I do?

Consider the [Open Schedule](#) days. Find 2 friends, pick a class, decide on a time and call **303-284-6354** to schedule the class!

If you don't see classes offered on a day that works in your schedule and the Open Schedule days don't work either please call!

#### Do you offer any discounts?

1. Yes! 10% discount for groups of 3 or more attending together.
2. 10% discount if you register for 2 or more classes
3. Periodic special discounts offered to returning students.

#### Can I bring my own tools?

Of course! It isn't necessary, but you are welcome to bring your personal power drill, circular saw or other tools to use in the appropriate class. We are happy to help you learn to safely and efficiently learn to use your tools.

#### Will you be offering any new classes in 2007?

Yes! Our goal for 2007 is to offer 3 new classes. Basic Plumbing, Tiling and a New Homeowner's class. We will also offer some special seminars to current students (see info below)

#### What if I have more questions?

Call Judy Browne at **303-284-6354** and ask her anything! (within reason ☺)

### Workshop for Women is teaming up with **Project Professional**

Workshop for Women is teaming up with Project Professional a professional remodeling and contracting company. Please visit their website at [www.projectproslp.com](http://www.projectproslp.com)

They offer everything from

home additions, remodeling of your bath, bedroom or basement, to home maintenance packages. The owner, Jessica Padilla, and the company were featured in the Fall edition of Renew Magazine.

Project Professional and Workshop for Women will be working together to create some exciting new seminars that will be offered for FREE to Workshop for Women clients. Keep your eye out for more information in the near future.
