Tired of  
paying  
someone  
else to do  
the things  
you know  
you can do  
yourself?

## Let us show you how! Testimonials

- "The best class I've ever taken!"*  
Judy (Denver, CO)
- "Knowing this stuff is liberating!"*  
Kim (Denver, CO)
- "Very Empowering!"* Laura (Centennial, CO)
- "Every woman should take these classes to gain confidence & to understand her home"*  
Kristin (Westminster, CO)
- "All my questions were answered, even if they weren't about drills and saws"*  
Michelle (Denver, CO)
- "It was amazing how much I learned and how much I already knew"* Barb (Golden, CO)
- "It was nice to practice in a non-threatening environment"* Jan (Highlands Ranch, CO)
- "I feel confident now about tackling these jobs at home"* Pam (Parker, CO)
- "My husband and I decided these classes were better (and less expensive) than marriage counseling!"* Clacy (Denver, CO)
- "I liked the individual attention and sense of accomplishment"* Ros (Denver, CO)
- "I like the feeling that this stuff is not rocket science and can be safe. It's not scary anymore."* Kate (Centennial, CO)
- "No pressure, no exams, awesome class I wouldn't change a thing"* Elizabeth (Denver, CO)
- "It totally eliminated any intimidation that I had before about the tools – especially the saw"* Kim (Denver, CO)

## Individual Classes

- "The Morning After...Closing" \***  
(Homeowner Maintenance) \$60  
Congratulations you own your own home! Now what are you supposed to do? We'll show you the ins and outs of maintaining your home.
- "FINALLY Fixing That Hole" \***  
(Drywall Repair) \$ 55  
You've had that hole in your drywall for HOW LONG? Learn to fix it once and for all!
- "My Screws are Loose!" \***  
(How to Hang Things) \$ 55  
Would you like to hang your towels on the towel rack again? How about hanging that mirror or those curtains? We'll show you how.
- "What the Guys Never Tell Us" \***  
**Part 1** (Basic Power Tools) \$ 75  
Learn what those numbers mean on your drill and why they matter. Learn why NOT to be afraid of a saw and all the things you can make.
- "What the Guys Never Tell Us" \*\***  
**Part 2** (Basic Carpentry) \$ 75  
Put those power tools to use and learn basic carpentry skills while making a wooden toolbox. You'll be building that bench in no time!
- "Let There be Light!" \*\***  
(Basic Electrical) \$150  
Replace that ugly light fixture or install that dimmer switch in your dining room. How about a ceiling fan for the summer? This is the class for you!
- "Do You Hear That?" \*\***  
(Plumbing 101) \$75  
Learn how to stop that dripping faucet or the running toilet once and for all and finally replace that 1970's bathroom fixture.
- "No More Clutter"** \$50  
(Closet Design and Installation)  
Finally have a closet that fits your lifestyle. Learn design techniques and how to install the components yourself. Go home with your own custom closet design.
- "Construction 101"** \$50  
(Basic Construction Skills)  
In partnership with Habitat for Humanity of Metro Denver - Women Build. Learn the skills you need to be comfortable on a Habitat construction site

## Seasonal

- "Old Faithful in Your Backyard?"**  
(Sprinkler System Maint. & Repair) \$100  
Did someone (we won't ask who) run over that sprinkler head again? Tired of paying someone to shut down and start up your system? Learn to do it yourself!  
(Offered April, May, June, August, Sept, Oct)
