

## Become Your Own Handywoman!

*Fun, Hands-On  
classes in basic home  
improvement skills, especially  
designed for women*

**303-284-6354**

**www.workshopforwomen.com**

**Join us! Bring your girlfriends! Have fun while you learn!**

**"The Morning After... Closing" (Basic Home Maintenance) -----\$60**

Everything you wanted to know about your home but were afraid to ask. Learn the basics about the structural, electrical, plumbing and HVAC systems in your home. Learn what maintenance tasks you should be doing and when they should be done.

**"FINALLY Fixing that Hole" (Repairing Drywall) -----\$55**

You've had that hole in your drywall for HOW LONG? Learn to fix it once and for all!

**"My Screws are Loose!" (Wall Anchors and Fasteners) -----\$55**

Would you like to hang your towels on the towel rack again? How about hanging that mirror or those curtains? We'll show you how.

**"What the Guys Never Tell Us"- Part 1 (Basic Power Tools) ----- \$75**

Learn what those numbers mean on your drill and why they matter. Learn why and how NOT to be afraid of a circular saw.

**"What the Guys Never Tell Us"- Part 2 (Basic Carpentry) ----- \$75**

Put those power tools to use and learn basic carpentry skills while making a wooden toolbox. You'll be building that bench in no time!

**"Do You Hear Water?" (Plumbing 101)----- \$75**

Does your toilet seem to flush all on it's own? Did you buy a new water feature for your living room to mask the dripping sound coming from the kitchen? Learn to stop these annoying sounds and save money at the same time!

**"Let There be Light" (Electrical Basics) -----\*\$150**

Replace that ugly light fixture or install that dimmer switch in your dining room. How about a ceiling fan for next summer? This is the class for you! \*This class meets for two 3-hour sessions.

**"Old Faithful in Your Backyard?" (Sprinkler System Maint. & Repair) -----\$100**

Did someone (we won't ask who) run over your sprinkler head with the lawnmower AGAIN? Take care of that geyser once and for all. Did you have to pay someone way too much money to start up your system again? It's time to learn the ins & outs of your automatic sprinkler system!

**"No More Clutter!" (Closet Design Clinic) -----\$50**

You will learn the ins and outs of closet design techniques and how to design your closet to maximize space and accessibility using the Easy Track Brand closet components. You will learn all the steps required to install the closet components yourself and will leave the clinic with your custom closet design.

**"Construction 101" (Construction Basics) -----\* \$50.00**

You will become familiar with the tools, materials, terminology and skills you might find or use on a Habitat for Humanity construction site.\*In partnership with HABITAT FOR HUMANITY OF METRO DENVER
