Workshop News

Happy 2009!

Cool Things for 2009

To start off the new year I'd like share information about people, products and businesses I think you all should know about. If you know of an interesting product, a wonderful business or a person you think we should hear about please email me and pass along all the details.

Do It Yourself Denver

Join us the 2nd Tuesday of each

"Women's Wilderness courses are specifically designed for women and girls, which makes us different than other adventure travel trips. Our mission runs beyond teaching skills needed for your own outdoor adventures; we also love the wilderness as a way to bring out the voices, courage, confidence and leadership qualities within each girl and woman."

Boutique for the Soul

A Boutique for the Soul is a showcase of women-owned

business in a boutique-like setting. Each boutique is professionally catered allowing for the hostess to enjoy their boutique while ensuring that the guests are taken care of. The goal of the organization is to build and enhance awareness of women owned businesses through facilitating boutiques throughout the state, marketing directly to the consumer and allowing for a warm, fun-filled evening with friends to gather, shop, and build relationships.

Womenof.com

An on-line resource for women and women business owners. The *Womenof* website offers articles on topics ranging from home improvement (I contribute to their website) to marketing your small business. *Womenof* also hosts a monthly networking and social event for women to come together to have fun and discover wonderful products and services to support us in our daily lives.
